Stereo

Performed by Paulina Rubio ft. Pretty Willie

Chorus:

It's very clear to me just like it's in 3D

Mental telepathy

Sounds like it's ringing on my stereo

I'm bouncing off the wall, the way you turn me on

I think I like this song

Sounds like it's ringing on my stereo

Digging the scene like the music getting fascinating

Touching the screen like the view from my imagination

Ninety degrees got me circulating

I've been waiting impatiently

Got me changing stations on occasion

What's your frequency

Can you connect with me

If it's alright your satellite can be my energy

Don't wanna be too bizarre

But you're the key to my car

You're my electric guitar

Sounds like it's ringing on my stereo

Chorus:

It's very clear to me just like it's in 3D

Mental telepathy

Sounds like it's ringing on my stereo

I'm bouncing off the wall, the way you turn me on

I think I like this song

Sounds like it's ringing on my stereo

Survive the people's faces

They're dancing from temptation

Her icky style is wasting

You don't need no invitation

Hear the cutie boys making all the noise

It's getting hot up in here

You don't have a choice

What's your frequency?

Can you connect with me?
If it's alright your satellite can be my energy
Don't wanna be too bizarre
But you're the key to my car
You're my electric guitar
Sounds like it's ringing on my stereo

Chorus:

It's very clear to me just like it's in 3D
Mental telepathy
Sounds like it's ringing on my stereo
I'm bouncing off the wall, the way you turn me on
I think I like this song
Sounds like it's ringing on my stereo
Pretty Willie's Rap:

To get all in my stereo
The chance is slim
Cause I get deep down and dirty AM or FM
I'm on some FM
That's why she left him
All it took was a rose, champagne, the lights dim and
uh
It's very clear to me
That many cats go all out
But momma why bother
I'm a, in a tidy grime specialist
There ain't no chance to this
Cause I'm the best they get
I must admit you got me on some (ooh-why, do-why)
Turn you on ma, I think I (do-why, shou-why)
Got a lot of women
But you gotta respect it
If you ain't in my stereo
I probably press the eject
I misbehave on your airways
Control frequencies, sexual tendencies
Specially for you and me
True MD, I'm from St. Louis
And I'll make you feel better
Hit me up, what's my name
Pretty Willie's the weather, come on now

Chorus:

It's very clear to me just like it's in 3D
Mental telepathy
Sounds like it's ringing on my stereo
I'm bouncing off the wall, the way you turn me on
I think I like this song
Sounds like it's ringing on my stereo

Chorus (Fade Out):

It's very clear to me just like it's in 3D

Mental telepathy

Sounds like it's ringing on my stereo

I'm bouncing off the wall, the way you turn me on

I think I like this song

Sounds like it's ringing on my stereo
