I got birds in my ears and a devil on my shoulder,
and a phone to the other and i can't get a hold of her
what's a crush to do?
what's a crush to do, when he can't get through?

gramatically speaking your adorable
and from what i hear your quite affordable
but i like them pricey
so exaggerate and tr-tr-tr-tr-tr-tr-trick me
pretty please just trick me, pretty please

I got birds in my ears and a devil on my shoulder,
and i phone to the other and i can't get a hold of her
what's a crush to do?
what's a crush to do?

I got birds in my ears and a devil on my shoulder,
and a phone to the other and i can't get a hold of her
what's a crush to do?
what's a crush to do when he cant get...through.

I'm obsessed and stressed with this mess
I can't think of things, to write down, to type down
and these fingertips are moving faster than these lips
so you can only imagine how jealous my mouth is
so you can only imagine how jealous my mouth is

I got birds in my ears and a devil on my shoulder,
and a phone to the other and i can't get a hold of her
what's a crush to do?
what's a crush to do?

I got birds in my ears and a devil on my shoulder..
whats a crush, whats a crush.. to do-ooooo
yeah..yeah-eh-eh, yeh-eh-eh
ahhh

turned on a dime, spin round,
so get up and shine, shine right now
we'll even have a crowd
we'll make this purches count

gramatically speaking your adorable

from what i hear your quite affordable
but i like them pricey
so exaggerate and tr-tr-tr-tr-tr-tr-trick me

i got birds in my ears...
and a devil on my shoulder
whats a crush to do?
whats a crush to do?

i got birds in my ears...
and a devil on my shoulder
whats a crush to do when he cant get through
when he cant get a hold of her?

whats a crush, whats a crush to do-oo-oo-oo-oo
