Eye liner and a famous designer brand  
Your mind is a moment to be stamped  
Express it's tried and true  
Just look, look at you

Pretty and perfect, due to your steady hand  
Apply that lip gloss like it's your job  
You know you're his heart throb

You wanna know what you got  
I've got a plan we can't get caught  
And there's no chance in hell we'll stop  
No, no, no, I think not

Pinching with a moment so tight  
Undone and lookin' just right  
No not tonight, no not tonight  
A smeared kiss, a moment missed  
Are you upset with this?

You wanna know what you got  
I've got a plan we can't get caught  
And there's no chance in hell we'll stop  
No, no, no, I think not

Body language is something that you learn  
And you just can't get taught, we'll never get caught  
Body language is something that you feel  
It's just too real to be concealed

Body language is something that you learn  
And you just can't get taught, we'll never get caught

You wanna know what you got  
I've got a plan we can't get caught  
And there's no chance in hell we'll stop  
No, no, no, I think not

You wanna know, you wanna know  
When you'll find out what you really got  
With that information that I gave you  
You wanna know, you wanna know

You, you, you, you, you, you but I'm not telling
