Mistakes that I make in my life,  
Learned to take them in stride,  
Now I'm on my one-way ride,  
Now I'm on my one-way ride.

Swallowed his subject,  
I got nothing left,  
A shady little text glowing disrespect,  
And if you double-click,  
What a waste of your wit,  
Yeah, you bet you'll know the lines  
That have already been bit.

Mistakes that I make in my life,  
Learned to take them in stride,  
Now I'm on my one-way ride,  
Now I'm on my one-way ride.  
Everybody stops, everybody slows,  
Everybody comes and everybody goes,  
If you don't know, well, now you're gonna know,  
'Cuz everybody learns and everybody grows.

A complicated complex,  
The usual suspects.  
If you don't remember it,  
Then it never happened  
When it happened.

Swallowed my pride,  
Took it in stride,  
Never thought I'd ever know.  
If you don't let go,  
Then you'll never say you ever know.

Mistakes that I make in my life,  
Learned to take them in stride,  
Now I'm on my one-way ride,  
Now I'm on my one-way ride.  
Everybody stops, everybody slows,  
Everybody comes and everybody goes,  
If you don't know, well, now you're gonna know,  
'Cuz everybody learns and everybody grows.

Mistakes that I make in my life,  
Learned to take them in stride,  
Now I'm on my one-way ride,  
Now I'm on my one-way ride.  
Everybody stops, everybody slows,  
Everybody comes and everybody goes,  
If you don't know, well, now you're gonna know,  
'Cuz everybody learns and everybody grows.

Designer shine,  
So I'll be taking mine,  
Designer shine,  
So I'll be taking mine,  
Designer shine,  
So I'll be taking mine,  
Designer shine,  
So I'll be taking mine.

Lay your list on, you can pull it all off.

Mistakes that I make in my life,  
Learned to take them in stride,  
Now I'm on my one-way ride,  
Now I'm on my one-way ride.

(Everybody comes and everybody goes.)

Hey, hello,  
You're still where you were,  
Why you been there?  
I've been causing quite a stir.

Hey, hello,  
You're still where you were,  
Why you been there?  
I've been causing, causing quite a stir.

Hey, hello,  
You're still where you were,  
Why you been there?  
I've been causing quite a stir.

Hey, hello,  
You're still where you were,  
Why you been there?  
I've been causing, causing quite a stir.

(Now I'm on my one-way ride.)
