this is a seasonal affair so be there or be square
and the invitation said so
so just let that ego go
and watch it strike back like a boomerang
scared stiff and not sure how to deal with it
you're a legend in this room, only in this room
oh goodness me, oh goodness my mind has slipped
and wiped away from it

same s#@* different day, same s#@*
same s#@* different day
now let's, let's backtrack and back it up
we have a whole lot to prove
do hike your skirt, and pull your shirt down
just give those gents what they crave
because as you say, you love to save, to save
now let's, let's backtrack and back it up
we have a whole lot to prove
let the sweat drop, calm, collected and cunning
watch those laws drop, the sweat is still running

some have labeled me so savvy
and i'll admit, i agree to disagree
do your knees go weak when i simply speak?

and did you, did you hear that i'm so charming?
oh yeah, and i bow, and i bow
but i'm not sure i can bear it

same s#@* different day, same s#@*
same s#@* different day
now let's, let's backtrack and back it up
we have a whole lot to prove
let the sweat drop, calm, collected and cunning
watch those jaws drop, the sweat is still running
let the sweat drop, calm, collected and cunning
watch those jaws drop, the sweat is still running

this is a seasonal affair, whoa-o, o-whoa-o
so be there or be square, whoa-o, o-whoa-o
the invitation said so, so let that ego(go)
let the sweat drop, calm, collected and cunning

watch those jaws drop, the sweat is still running
let the sweat drop, calm, collected and cunning
watch those jaws drop, the sweat is still running
