I've got the gift of one liners  
And you've got the curse of curves  
And with this gift I compose words  
And the question that comes forward  
Are you perspiring from the irony?  
Or just sweating with these lyrics?  
And this just in  
You're a dead fit  
But my wit won't allow it

The inside lingo had me at hello  
And we go where the money goes  
The inside lingo had me at hello  
And we go where the money goes

I want someone provocative and talkative  
But it's so hard when you're shallow as a shower  
And from what I've heard with skin you'll win

Her bone structure screams  
"Touch her! Touch her!"  
And she's got the curse of curves  
So with the combination of my gift with one liners  
And my way, my way with words

It seems I'm too hip to keep tight lipped  
And you're on the gossip team  
You're making something out of nothing  
And jealousy's the cousin, the cousin of greed

The inside lingo had me at hello,  
And we go where the money goes.  
The inside lingo had me at hello,

And we go where the money goes.

I want someone provocative and talkative,  
But it's so hard when you're shallow as a shower.  
And from what I've heard with skin you'll win.

Her bone structure screams  
"Touch her! Touch her!"

And she's got the curse, the curse of  
From what I've heard with skin you'll win

We all have teeth that can bite underneath,  
To where the reality grows.  
Yeah, that's where mine go.  
That's where mine go.  
We all have teeth that can bite underneath,  
To where the reality grows.  
Yeah that's where mine go  
Where the reality grows  
From what I've heard with skin you'll win  
And from what I've heard with skin you'll win

I want someone provocative and talkative  
But it's so hard when you're shallow as a shower  
And from what I've heard with skin you'll win

Her bone structure screams  
"Touch her! Touch her!"  
And she's got the curse, the curse of  
From what I've heard with skin you'll win  
With skin you'll win  
Skin you'll win
