Slightly bruised and a little bit used  
I never thought they'd be so amused  
Brothers bond broken by the bailiff  
For the first time

Prison proves, gotta pay my dues  
Now I know I'll never be with you

If I, if I, if I die inside  
Would anyone realize?  
No, God help me

If I, if I, if I die inside  
Would anyone realize? No  
I lived a lie, is anyone gonna realize?  
Stop, stop, stop

Change in sights, I ain't gonna sleep tonight  
This is no way for a man to live his life  
Paranoid on the prison yard pavement  
For the first time

So I served time for my addiction  
I pay the price for my affliction  
A judge took my life with his conviction  
For the last time

Lights out, lock down  
Don't make a sound  
Lights out, lock down

If I, if I, if I die inside  
Would anyone realize?  
If I, if I, if I deny the crime  
Would I, would I serve the time?  
I live a lie

Someone speak, I'm a drum set in my head  
Something, a different beat  
Beat myself to the sound of the walking dead  
Rinse and repeat  
Someone's beat on the drum set in my head

In my head, head

If I, if I, if I die, yeah

If I, if I, if I die inside

Would anyone realize?

If I, if I deny the crime

Would I, would I serve the time?

I live a lie
