What you got now gotta, gotta give it up  
What you got now gotta, gotta give it up  
What you got now, what you got now

We keep ourselves a mystery  
But we provide, provide the clues  
So the rest is up to you  
and don't forget to check the obvious  
We are so serious  
So I guess it all comes down to how curious you can be

What you got now gotta, gotta give it up  
What you got now gotta, gotta give it up  
What you got now, what you got now

Drama doesn't follow me it rides on my back  
I may be ugly but they sure love to stare  
Drama doesn't follow me it rides on my back  
I may be ugly but they sure ,they sure, love to stare

And you check labels more than the FCC  
and these calories are, are killing me  
This is a sticky situation  
So keep your chest in the game  
And drop your jaw and coax me  
(just coax me, just coax me)  
What you got now gotta, gotta give it up  
What you got now gotta, gotta give it up  
What you got now, what you got now

Drama doesn't follow me it rides on my back  
I may be ugly but they sure love to stare  
Drama doesn't follow me it rides on my back  
I may be ugly but they sure (they sure) they sure

This is a party without the people  
This is a show without the sounds  
this is a dance without the steps  
Now I gave you the clues, so find what I've found  
This is a party without the people  
This is a show without the sounds  
So I gave you the clues, so find what I've found

Drama doesn't follow me it rides on my back  
I may be ugly but they sure love to stare  
Drama doesn't follow me it rides on my back  
I may be ugly but they sure love to stare
