I've got the gift of one-liners  
And you've got the curse of curves  
And with this gift I can pose words  
In any question that comes forward  
Are you perspiring from the irony  
Or are you sweating to these lyrics  
And this just in  
You're a a dead fit  
But my wit won't allow it  
The inside lingo had me at hello  
And we go where the money goes  
The inside lingo had me at hello  
And we go where the money goes  
I want someone provocative and talkative  
But it's so hard when you're shallow as a shower  
And from what I've heard risking you'll win  
her bone structure screams  
Touch her  
Touch her  
And she's got the curse of curves  
So with a combination of my gift with one-liners and my  
way  
My way with words  
It seems I'm too hip to keep it tight-lipped  
And you're on the gossip team  
We're making something out of nothing  
And Jealousy's the cousin  
The cousin of Greed  
The inside lingo had me at hello  
And we go where the money goes  
The inside lingo had me at hello  
And we go where the money goes  
I want someone provocative and talkative  
But it's so hard when you're shallow as a shower  
And from what I've heard risking you'll win  
her bone structure screams  
Touch her  
Touch her  
And she's got the curse  
The curse of curves  
And from what I've heard risking you'll win  
We all have teeth that can bite underneath

To where that reality grows  
Yeah, that's where mine go  
That's where mine go  
We all have teeth that can bite underneath  
To where that reality grows  
Yeah, that's where mine go  
Where the reality grows  
And from what I've heard risking you'll win  
And from what I've heard risking you'll win  
I want someone provocative and talkative  
But it's so hard when you're shallow as a shower  
And from what I've heard risking you'll win  
her bone structure screams  
Touch her  
Touch her  
And she's got the curse  
The curse of curves  
And from what I've heard risking you'll win  
Risking you'll win  
Risking you'll win
