(Let's Go) . .

[Verse]

I feel so hot tonight . .  
my body soo unlight . .  
the rythem got us all . .  
there ridings on the wall  
now work i out some more . .  
no mather who you are . .

[VB]

Just throw your cares away . .  
ain't no doubt about it . .  
you can't hesitate . .  
if it's good for you to do it  
come oon dance for me . .  
let the music take you over . .  
let it moove Ya groove Ya . .  
just keep it coming . .

[Chorus]

Working it back to front  
hitting it like the bomb  
everybody's getting some  
(their) Doin it . .Doin it  
ready to blow our minds  
making it dynamite  
even if it takes all night  
(their) Doin it . .Doin it  
(all night)

[Verse]

Now that you're getting loud  
it's time to get on down  
to the bump aaand ground  
so step up to the floor  
and work it out some more  
now, don't you take your time

[VB]

Just throw your cares away . .  
ain't no doubt about it . .

you can't hesitate . .  
if it's good for you to do it  
come oon dance for me . .  
let the music take you over . .  
let it moove Ya groove Ya . .  
just keep it coming . .

[Chorus]

Working it back to front  
hitting it like the bomb  
everybody's getting some  
(their) Doin it . .Doin it  
ready to blow our minds  
making it dynamite  
even if it takes all night  
(their) Doin it . .Doin it

[Bridge]

You can't stop  
just get on down . .  
the rythm got you bumping to the funky sound . .  
leeet it move Ya  
don't you get of of the floor  
I though I told Ya : You gotta keep it coming . .  
(I guess I Haven't met the minute Come on ah  
just keep it coming, come oon)

[Chorus]

Working it back to front  
hitting it like the bomb  
everybody's getting some  
(their) Doin it . .Doin it  
ready to blow our minds  
making it dynamite  
even if it takes all night  
(their) Doin it . .Doin it

[Chorus]

Working it back to front  
hitting it like the bomb  
everybody's getting some  
(their) Doin it . .Doin it  
ready to blow our minds  
making it dynamite  
even if it takes all night  
(their) Doin it . .Doin it  
Aaall niight . .
