There's no place for me in heaven.. mm oh no
I've been a bad girl to many times.. oh yeah
I've burn my bridges
There is no turning back

Chorus:

Babylon
Here I come
Take me in your arms
This is my life
Babylon
Here I come
Reaching for the stars
This is my life

I was a bad kind of girl
I went to sunday school
My mother nature taught me well, yes she did
I've burned my bridges
Was down on the low

Chorus

I see clouds on the horizon
In few minutes I'll be gone
I've burned my bridges
And I cant go back no

Chorus x3

Babylon
