All the fellas
Hello honey baby pumpkin can you, can you see
It's a lovely day
Well did you notice the sunlight the blue skies
Cause it's breathing through my heart
Let us just. Forget (though I'm moning) Relax
Jam for the moment

Chorus:

We see no drop on the market inn
Candy rain
All about the nation
Caught in a bug all im sitting still
Candy rain
lets call it through the situation

Now this is easy it's flowing like the water
Just aint complicated
Give me some more work it all out now
Things alright. Just fall so fine

No need to breathe. Oh that no.. Relax
You fit into whatever

We see no drop on the walking in
Candy rain
All about the nation
Caught in a bug all im sitting still
And candy rain
lets call it through the situation

It's a perfect day we'll last all day
Cause I'm in heaven
In heaven
And here I am And there you are
Looking all good
Me I mean I'm perfect mmm..

Relax..

Chorus
