I don't like it, when you turn my voice about
I don't like it, when you vote one nation out
My language has been murdered, my language has
been murdered
My shopping trolley murdered, my groceries just gone!

I don't like it, when you turn my voice about
I don't like it, when you vote one nation out
My language has been murdered, my language has
been murdered
My shopping trolley murdered, my groceries just gone!

1,2,3,4,5,6,7,8 racist, rubbish, racist hate.
1,2,3,4,5,6,7,8 racist, rubbish, racist

feel the heat

I don't like it, when umm... railway lines are white
I don't like it when umm... day becomes night

My language has been murdered, my language has
been murdered
My shopping trolley murdered, my groceries just gone!

I don't like it, no, no, no I don't never did,
I don't like it, I don't like anything!
I don't like it, no, no, no I don't know where near
I don't like it, I don't like anything!

Please explain, why can't my blood be coloured white
I should talk to some medical doctors, coloured blood
is just not right

I don't like anything, I cant do anything about it

But I like dancing, and I like the disco
Coz I left my heart, in san fransisco, yeah!

Feel the heat on the street, dance to the beat out of
your seat
Feel the heat on the street, dance to the beat out of
your seat

Get down, get down, down, down
I don't like anything, except I like neil diamond, yeah!

Disco dance, disco dance
Lets go nation, not a chance
Disco dance, disco dance
Out of my tree, out of my branch

I don't like it, no, no, no I don't never did,
I don't like it, I don't like anything!
I don't like it, no, no, no I don't, I don't care
I don't like it, I don't like anything!

I don't like a puppet without strings
Theres a muppet in the wings
And its saying racist things, I wont cop that, no way

I, I, I, I don't like anything

Video killed the racist star,
Howard won the slut you are
Â... ???

I don't like anything, I cant do anything about it

But I like dancing, and I like the disco
Coz I left my heart, in san fransisco, yeah!

Feel the heat on the street, dance to the beat out of
your seat
Feel the heat on the street, dance to the beat out of
your seat

I don't like it, no, no, no I don't never did,
I don't like it, I don't like anything!
I don't like it, no, no, no I don't, I don't care
I don't like it, I don't like anything!

No the whole thing is wrong, and it stinks and I don't
like it
