When I'm feeling so low  
And feeling so tired  
It's the result of a need to feel so desired  
Trawling back rooms and bars trying to fill my need  
Looking for fun so hard I think my eyes will bleed

You know I'm just a Heatseeking Pleasure Machine  
Pump me up and work it but don't stop 'til I scream  
I'm just a Heatseeking Pleasure Machine  
Gotta get me higher if you know what I mean

I need some one  
I need some thing  
I need some

Down the lane up the stairs  
First room on the left  
That's all I need to know  
About your name or address

I'll take whatever you got  
Just give it to me with speed  
You're the doctor I'm sick  
And you know what I need

You know I'm just a Heatseeking Pleasure Machine  
Pump me up and work it but don't stop 'til I scream  
I'm just a Heatseeking Pleasure Machine  
Gotta get me higher if you know what I mean

I need some one  
I need some thing  
I need some
