Come Back,  
Come ooooh home.

Come Back,  
Come ooooh home.

In reply, you asked how I feel  
Am I still on your mind  
We've had space, you know what is real,  
Cause it still is all the time to forget you  
And loves that were placed  
But while i first gave you  
The smile on my face

So lover,  
I'm coming home to you  
With an open invitation  
To see if what were sayin is true  
And if we can find salvation  
Comin home to you  
With hope, not expectation  
If thats what you want  
Then thats what Ill do  
This is my love declaration

Spin it back  
I put it to you  
Am I still on your mind  
I'm no saint  
And I worry too,  
If I read between the lines  
That you tell me  
The times that we waste  
But while you first gave me,  
The smile on your face

So lover,  
I'm coming home to you  
With an open invitation  
To see if what were sayin is true  
And if we can find salvation (salvation)

I'm comin home to you  
With hope, not expectation  
If thats what you want  
Then thats what I'll do  
This is my love declaration

This is my love declaration  
Coming home to you  
With an open invitation  
To see if what were saying is true  
And if we cant find salvation  
I'm coming home to you  
With hope, not expectation  
If thats what you want  
Then thats what I'll do  
This is my love declaration
