It's amazing in all of this (amazing)
That You could find me (You could find me) in all of my
mess
I don't get it and I don't deserve You
Cause You're amazing (You're amazing) and I am a
fool
Show me You in everything
Show me You in everything
chorus: I'll see You, see You
When the storm fades away
And I'll see You, see You
When the skies open up and I know (know)
Know that You love me (know)
And I'll know, know that You love me ey (echoes)
It's amazing (amazing) what Your love brings
It surrounds me (it surrounds me) like the air that I
breathe
I still don't get it (still don't get it)
What You've given to me
Your love unending it's all that I need
Show me You in everything
Show me You in everything
CHORUS
And I'll, and
CHORUS ey (echoes)
Well understanding You is somethin' that will never
happen
I can't comprehend an inch of what You mend
Eternally inside me grace so sufficiently
That I am amazed at the fact that I exist
Can't explain the way of how I'll make it through this
But like a psalmist I'm asking You to calm this storm
That continues to persist and make me a mess
In all my stress I repent for my lack of content, show
me You
Show me You (in everything) (3 x)
Show me You, oh
I'll see You, see You
You're amazing
See You, see You
You're amazing
CHORUS (minus 2nd "see you" in the first line)

And I know, know that You love me
And I know (I see You), know that You love me (I see
You) (3x)
