Oh I got something that you all could get  
In life its been given  
Called the Prizm show its colors  
And on the 17th day of the 2nd month  
Come on come on people let the flood gates open  
Come on people open  
Precipitation formed  
Colors of freedon the gift a Prizm  
Red orange yellow blue green and indigo  
Is the flag of freedom  
Remind me of a sin to go  
Away away the promise remains  
The same yesterday as it is today  
Fall of man and the fall of rain came  
Down from the heavens ro cleanse you and I  
Come on come on people let the flood gates open  
Come on people open  
Precipitation formed  
Colors or freedom the gift a prizm  
The rains came down  
The floods went up  
Open the flood gates and let the people in  
Open the flood gates and let the people in  
Precipitation formed  
Colors or freedom  
The gift a Prizm
