(feat. Crash)

I've been following you for days
in some very peculiar ways
i know your name is valerie
saw you signing in at the gallery
i tried to talk but didn't know what to say

every painting you have viewed
i've been standing behind you
my mona lisa

can't see the matis, can't see the picasso
Â'cause i'm looking at you
can't see the renouir or the warhol
Â'cause i'm looking at you

i guess still life is not your style
cause you've been with dali for a while
oh i'm begging you valerie
can't we get away from the gallery
please take me home and make me smile

all these paintings you have seen
there's only so much they can mean
my mona lisa

can't see the matis, can't see the picasso
Â'cause i'm looking at you
can't see the renouir or the warhol
Â'cause i'm looking - just looking at you

every painting you have viewed
i've been standing behind to you
my mona Â... lisa

i can't see the matis, can't see the picasso
Â'cause i'm looking at you
can't see the renouir or the warhol
i'm looking - just looking at you
my mona Â... lisa - my mona Â... lisa

can't see the matis, can't see the picasso
can't see the renouir or the warhol
my mona lisa
