Eede / Macmichael

[B-side to The Scattering single, from the Scattering album]

(Dance you bastards!)

The windows are open and I've been wide awake for so long

The waiting is over cause I've been holding out for so long (so long)

Cause I can feel it now it's rushing over me

Cause I've been waiting so long, so long

Christians

Can you hear me

Are you lonely

Or is this just another lazy day

Christians

Are you out there

Can you hear me

Is this just another lazy day

The silence has broken

The waiting is over cause I've been wide awake for so long (so long)

Cause I can feel it now it's rushing over me

Cause I've been waiting so long, so long

Christians

Can you hear me

Are you lonely

Or is this just another lazy day

Christians

Are you waiting

Are you out there

Or is this just another rainy day

Christians

Can you hear me

Are you lonely

Hear me

Can you hear me, hear me
Just another rainy day

Christians
Can you hear me, are you out there
Watch you push us
Or is this just another rainy day
