Oooh, Oo Oooh, Cha

Catch my breath, close my eyes  
Don't believe a word.  
Things she said, overheard  
Something wrong inside  
Hits you in a minute, Ooo  
Then you know you're in it, aah.

I've been in love before  
I've been in love before  
The hardest part is when you're in it  
I've been in love before  
I've been in love before

Just one touch, just one look  
A dangerous dance  
One small word can make me feel  
Like running away  
You can't say you're in it, no, until you reach the limit

I've been in love before  
I've been in love before  
The hardest part is when you're in it  
I've been in love before  
I've been in love before

I've been in love before  
I've been in love before  
The hardest part is when you're in it  
I've been in love before  
I've been in love before

I've been in love  
The hardest part is when you're in it  
I've been in love  
I've been in love before
