Oh why - I just died in your arms tonight  
It must have been somethin' you sai-aid  
I just died in your arms tonight

I keep lookin' for somethin' I can't get  
Broken hearts lie all around me  
An' I don't see an easy way to get out of this  
Her diary, it sits by the bedside table  
The curtains are closed, the cats in her cradle  
Who would've thought that a boy like me could come to  
this

Oh-oh-oh-woh-why - I just died in your arms tonight  
It must've been somethin' you sai-aid  
I just died in your arms tonight  
Oh-oh-oh-oh-why-y - I just died in your arms tonight  
It must've been some kind of ki-iss  
I should've walked away  
I shoulda walked away-ay

Is there any just cause for feeling like this?  
On the surface I'm a name on a list  
I try to be discreet, but then blow it again  
I've lost and found, it's my final mistake  
For she's lovin' by proxy, no give and all take  
'Cause I've been thrilled to fantasy one too many times

Oh-oh-oh-woh-why - I just died in your arms tonight  
It must've been somethin' you sai-aid  
I just died in your arms tonight  
Woh-oh-oh-why-y - I just died in your arms tonight  
It must've been some kind of ki-iss  
I should've walked away  
I shoulda walked away-ay

It was a long hot night  
She made it easy, she made it feel ri-ight  
But now it's over the moment's gone  
I followed my hands not my head, I know I was wro-ong

Oh-why - I just died in your arms tonight  
It must've been somethin' you sai-aid

I just died in your arms tonight  
Why-y - I just died in your arms tonight  
It must've been some kind of ki-iss  
I should've walked away  
I shoulda walked away-ay
