I can show you the world  
Shining, shimmering, splendid  
Tell me, princess, now when did you last  
Let your heart decide?

I can open your eyes  
Take you wonder by wonder  
Over, sideways and under  
On a magic carpet ride

A whole new world  
A new fantastic point of view  
No one to tell us no or where to go  
Or say we're only dreaming

A whole new world  
A dazzling place I never knew  
But now from way up here, it's crystal clear  
That now I'm in a whole new world with you

Unbelievable sights  
Indescribable feeling  
Soaring, tumbling, freewheeling  
Through an endless diamond sky

A whole new world  
(Don't you dare close your eyes)  
A hundred thousand things to see  
(Hold your breath, it gets better)  
I'm like a shooting star, I've come so far  
I can't go back to where I used to be

A whole new world  
With new horizons to pursue  
I'll chase them anywhere, there's time to spare  
Let me share this whole new world with you

A whole new world  
(A whole new world)  
A new fantastic point of view  
No one to tell us no or where to go  
Or say we're only dreaming

A whole new world  
(Every turn a surprise)  
With new horizons to pursue  
(Every moment red letter)  
I'll chase them anywhere, there's time to spare  
Anywhere, there's time to spare  
Let me share this whole new world with you

A whole new world  
(A whole new world)  
That's where we'll be  
(Where we will be)

A thrilling chase  
A wondrous place  
For you and me
