We wrap it and then we bag it  
In a tight little package and there you have it  
Or else we sack it, do you wanna sack it?  
All right, let's sack it

We wrap it and then we bag it  
In a tight little package and there you have it  
Or else we sack it, do you wanna sack it?  
All right, let's sack it

I'm a little ambitious, and I want my wishes  
So I gotta fuckticious, Sid Vicious, doing all my dirty  
dishes  
I'm a little ambitious, and I want my wishes  
So I gotta fuckticious, Sid Vicious, doing all my dirty  
dishes

You go extreme, when you get with me  
Do you know what I mean?  
You go extreme, when you get with me  
Do you know what I mean?

You go extreme, when you get with me  
Do you know what I mean?  
You go extreme, when you get with me  
Do you know what I mean?

Baby, get in and jump me  
Oh baby, get out and dump me  
Baby, get in and jump me  
Oh baby, get out and dump me

I'm a little ambitious, and I want my wishes  
So I gotta fuckticious, Sid Vicious, doing all my dirty  
dishes  
I'm a little ambitious, and I want my wishes  
So I gotta fuckticious, Sid Vicious, doing all my dirty  
dishes

You go extreme, when you get with me  
Do you know what I mean?  
You go extreme, when you get with me

Do you know what I mean?

You go extreme, when you get with me  
Do you know what I mean?  
You go extreme, when you get with me  
Do you know what I mean?

Baby, get in and jump me  
Oh baby, get out and dump me  
Baby, get in and jump me  
Oh baby, get out and dump me

Baby, get in and jump me  
Oh baby, get out and dump me  
Baby, get in and jump me  
Oh baby, get out and dump me

We wrap it and then we bag it  
In a tight little package and there you have it  
Or else we sack it, do you wanna sack it?  
All right, we'll sack it
