"Cum Undun"

You cum undun
'Cause of what you've done
This ain't no fun
Slashin' there with my tongue
Can't beat so
You let me go
You cum undun

You cum undun
'Cause of what you've done
You're damaged goods
Since you got your hooks
And you're still fuckin' crooks
'Cause of what you took
You cum undun (x5)

You got your hooks
You still fuckin' crooks
What you took
You're damaged goods
You cum undun
Slashin' there with my tongue
This ain't no fun
'Cause of what you've done
You cum undun (x2)
