fall in the sizzle of a blackened sea  
get loose get juiced get pumped  
crawl in the riddle that becomes routine  
get ripped get pissed get crunk  
rocked in a little and you self-esteem  
get high and try a ton  
card in the middle of a magazine  
get lit get hit get drunk

lied to the middle of everything you'd be  
no sight what's right at all  
slide into livin someone else's scheme  
tonight you fight you fall  
try to be givin it the full extreme  
no ride no god no run  
cry so u fit in like a drama queen  
come down unround so what

champagne  
damn shame  
what you gonna do when they drag ya name  
oh oh mud  
oh oh mud

hand in the tub of opportunities  
get caught your taught to run  
stand in the thrill of all immunity  
the fix its quick for some  
slammed to grill of all the scrutiny  
too late for fate it comes  
brand to be feelin all the infamy  
it be and quit its done

ruffed up  
tough luck  
what you gonna do now you fucked up  
oh oh mud  
oh oh mud

oh oh mud  
oh oh mud
