Sex

Feel the fire, feel my love inside you so right

That's the sound and the smell of love in my mind

I'm a toy, come and play with me, say the word now

Wrap your legs around mine and ride me tonight

I'm a man

I'm a goddess

Well I'm a virgin

I'm a blue movie

I'm a bitch

I'm a geisha

I'm a little girl

We make love together

And we'll make love forever

We make love together

And we'll make love forever

Skin to skin; Turn to oooh honey hold me tight

Come inside, it's a passion play just for you

Let's get lost in that magic place all alone now

Drink your fill from my fountain of love, wet your lips

I'm a man

I'm a boy

Well I'm your mother

I'm a one-night stand

I'm a bi

I'm your slave

I'm a dream divine

We make love together

And we'll make love forever

We make love together

And we'll make love forever

We make love together (Sex)

And we'll make love forever (Sex)

We make love together (Sex)

And we'll make love forever (Sex)

We make love together (Sex)

And we'll make love forever
