Alright.

All you men. you boys. you guys.

Are you with peaches?

Then gimme some of this

Shake Yer Dix, Shake Yer Dix

Shake Yer Dix, Shake Yer Dix

Ok how about you girls. You women. You ladies!

Are you with peaches?

Alright then lets try this. are you ready?

Shake Yer Tits, Shake Yer Tits

Shake Yer Tits, Shake Yer Tits

Boys like the lips swinging in their face

Lying back it's taking their own space

We're gonna kick it now and take your place

C'mon and give us a taste

I'm not the only one with body to kill

I like to see just how you swing that thrill

C'mon baby and shake that thing

You make my panties go ping

Shake Yer Dix, Shake Yer Dix

(Shake Yer Dix, Shake Yer Dix)

Shake Yer Dix, Shake Yer Dix

I know you all play bottom and top

I know you all like to hotbox

Coz you're ready to flip it again

Keep it sis so that it never ends

Shake Yer Tits, Shake Yer Tits

(Shake Yer Tits, Shake Yer Tits)

Shake Yer Tits, Shake Yer Tits

(Shake Yer Dix, Shake Yer Tits, Shake Your Dix, Shake

Your Tits, Shaker)

Shake Yer Tits, Shake Yer Tits

(Shake Yer Dix, Shake Yer Tits)

Shake Yer Tits, Shake Yer Tits

(Shake Yer Dix, Shake Yer Tits, Shake Your Dix, Shake

Your Tits, Shaker)
