People in the club is packed,  
Grab a partner get the knack,  
Turn around and hit that back,  
Let me feel your hands go clap,  
People in the club is packed,  
Grab a partner get the knack,  
Turn around and hit that back,  
Let me feel your hands go clap,

Showstopper  
Panty dropper  
Everybody's favorite shocker,  
Showstopper,  
Panty dropper,  
Everybody's favorite shocker,

Body sweat, panties met,  
Everybody get get get it,  
Let me hear ya ooh ooh,  
I don't think you're ready yet,

Showstopper,  
Panty dropper,  
Everybody's favorite shocker,  
Showstopper,  
Panty dropper,  
Everybody's favorite shocker,  
Showstopper,  
Panty dropper,  
Everybody's favorite shocker,  
Showstopper,  
Panty dropper,  
Everybody's favorite shocker,

I'm a stage whore,  
I command the floor,  
Rock you harder than a martyr,  
In a holy war,  
Can't help but engage you,  
Nevermind my age,  
It's like we're breaking out of a cage,

Showstopper,  
Panty dropper,  
Everybodys favorite shocker,  
Showstopper,  
Panty dropper,  
Everybodys favorite shocker,  
Showstopper,  
Panty dropper,  
Everybodys favorite shocker,  
Showstopper,  
Panty dropper,  
Everybodys favorite shocker,  
Showstopper  
Panty dropper,  
Everybodys favorite shocker,  
Showstopper,  
Panty dropper,  
Everybodys favorite shocker,

Ooh.
