Waitin', watchin' the clock, it's four o'clock, it's got to stop

Tell him, take no more, she practices her speech

As he opens the door, she rolls over...

Pretends to sleep as he looks her over

She lies and says she's in love with him, can't find a better man...

She dreams in color, she dreams in red, can't find a better man...

Can't find a better man

Can't find a better man

Can't find a better man

Ohh...

Talkin' to herself, there's no one else who needs to know...

She tells herself, oh...

Memories back when she was bold and strong

And waiting for the world to come along...

Swears she knew it, now she swears he's gone

She lies and says she's in love with him, can't find a better man...

She dreams in color, she dreams in red, can't find a better man...

She lies and says she still loves him, can't find a better man...

She dreams in color, she dreams in red, can't find a better man...

Can't find a better man

Can't find a better man

Can't find a better man

She loved him, yeah... she don't want to leave this way

She feeds him, yeah... that's why she'll be back again

Can't find a better man

Can't find a better man

Can't find a better man

Can't find a better... man...
