Oh, tonight began with anything.
Shaft of a light. A warm breath and a scream.
Ah, yeah.
Oh, tamper if you like between the doors.
Oh yeah. Huh. Huh.
Oh, can't expect to go out, to go out with anything,
anything more.

Oh reach the door. A breath and a...
Oh reach the door. And a la la la la yeah.
Life ain't what it's worth.
A breath and a... Oh reach the door.

All these reaching hands out grabbing things.
Grabbing me.
Day in day out accumulating. Ah yeah.
Whoa. I suggest you step out on your porch.
Oh yeah. Huh. huh. Huh huh, yeah.
Run away my son. See it all. Oh see the world.
Oh reach the door. A breath and a...
Oh reach the door. Oha and a la la la la yeah.
Life ain't what it's worth.
A breath and a... Oh reach the door.

Come. Here it comes. There it goes. When it comes.
Where it goes. Where it comes.
Can't see through the faith. Woah.
Ooh. Come. Here it comes. There it goes.
Grasp what you can.
Don't you know there's something inside your head,
yeah.

Oh, if I knew where it was I would take you there but
there's much more
than this.
Ooh. Whoa, much more than this. Woh see the world.
Much more than...
Oh, much more than. Why?
