Eats meat, eats meat

Look out

Dirty Frank Dahmer, he's a gourmet cook

I got a recipe for Anglo Saxon soup

Wanted a pass so she relaxed

Now the little groupie's getting chopped up in the back

I got a cupboard full of fleshy fresh ingredients

I'm very careful at the same time quite expedient

Eats meat, a release

Bus driving is harder on your head than on your feet

Dirty Frank, Dirty Frank, Dirty Frank, Dirty Frank

Keeps it clean, keeps it copasetic

Little boys and girls their heads are all collected

Not crazy, per se

Just a little strange when he gets hungry

City state your town he will continue

Stadiums' tiny clubs every venue

His bus, a your trust

There goes another turned into crust

Dirty frank, Dirty Frank yeah, Dirty Frank, oh Dirty Frank

Watch it, now

Why that dirty Frank was a bad motherÂ...

Shut your mouth

Hey man, I'm just talking about dirty Frank

??? Yeah, he's a big business cat, where you get a

decent good meal out of those crazy cats

There those crazy kids are driving me crazy man?

Oh, middle of the night we're stopped, the freeway
shoulder

A frank's shovelling to bury the leftovers

A they're sunk, he's drunk

Now he's gonna drive, I'm hiding in my? bumhole?

The band all knows, we're too afraid to mention

Don't want to be part of Frank's luncheon

Lose weight, be safe

Where's Mike McCready?

My god he's been ate

Dirty frank, Dirty Frank yeah, Dirty Frank, oh, Dirty Frank

yeah

Dirty Frank, Dirty Frank yeah, Dirty Frank, Frank Dirty,
oh Dirty

Oh, he's gone fruit loops, it's the perfect job
Cook 'em just to see the look on their face, just to see
the look on their face (They don't get? to cook them?)
Cook 'em just to see the look on their face, just to see
the look on their face (Mommy, mommy I'll just sing
mommy no, no, why)
Cook 'em just to see the look on their face, just to see
the look on their face
Cook 'em just to see the look on their face, just to see
the look on their face
I cook 'em just to see the look on their face, just to see
the look on their face
I cook 'em just to see the look on their face, just to see
the look on their face
I cook 'em just to see the look on their face, I cook 'em
just to see the look on their face
I cook 'em just to see the look on their face, I cook 'em
just to see the look on their face
I cook 'em just to see the look on their face, I cook 'em
just to see the look on their face
I cook 'em just to see the look on their face, I cook 'em
just to see the look on their face
