I seem to recognize your face  
Haunting, familiar yet, I can't seem to place it  
Cannot find the candle of thought to light your name  
Lifetimes are catching up with me  
All these changes taking place, I wish I'd seen the place  
But no one's ever taken me

Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away

I swear I recognize your breath  
Memories like fingerprints are slowly raising  
Me, you wouldn't recall, for I'm not my former  
It's hard when you're stuck upon the shelf  
I changed by not changing at all, small town predicts  
my fate

Perhaps that's what no one wants to see  
I just want to scream, hello  
My God, its been so long, never dreamed you'd return  
But now here you are and here I am  
Hearts and thoughts, they fade away

Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away

Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade, fade away  
Hearts and thoughts, they fade
