I seem to recognize your face
Haunting, familiar, yet I can't seem to place it
Cannot find the candle of thought to light your name
Lifetimes are catching up with me
All these changes taking place,
I wish I'd seen the place
But no ones ever taken me
Hearts and thoughts they fade, fade away... (2x)

I swear I recognize your breath
Memories like fingerprints are slowly raising
Me you wouldn't recall, for
Im not my former
Its hard when you're stuck upon the shelf
I changed by not changing at all, small town predicts
my fate
Perhaps that's what no one wants to see
I just want to scream...hello...
My God it's been so long, never dreamed you'd return
But now here you are, and here I am
Hearts and thoughts they fade...away...

Hearts and thoughts they fade, fade away... (2x)
Hearts and thoughts they fade...away...
Hearts and thoughts they fade, fade away... (3x)
Hearts and thoughts they fade...
