I seem to recognize your face, haunting familiar yet i  
cant seem to place it  
Cannot find a candle of thought, to light your name  
Lifetimes are catching up with me,  
all these changes taking place, i wish i'd seen the place  
But no ones ever taken me

Hearts and thoughts they fade,faaaaade away  
Hearts and thoughts they fade,faaaaade away

I swear i recognize your breath  
Memories like fingerprints are slowly raising,  
me, you wouldnt recall, for im not my former  
Its hard when, your stuck upon the shelf  
I changed by not changing at all, small town predicts  
my fate,  
Perhaps thats what no one wants to see,  
I just want to scream hello,  
My god its been so long, never dreamed you'd return  
Now here you are, and here i am  
Hearts and thoughts they fade...away

Hearts and thoughts they fade, fade away  
Hearts and thoughts they fade, fade away  
Hearts and thoughts they fade, fade away(3x)
