Freezin, rests his head on a pillow made of concrete
Oh, feelin maybe he'll see a little better set a days, ooh
right
Oh, hand out, faces that he sees time again ain't that
familiar, ooh yeah
Oh, dark grin, he can't help, when he's happy looks
insane, oh yeah

Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them away,
yeah...ooh...
Oh, someday yet, he'll begin his life again...life
again...life again...

Kneelin, looking through the paper though he doesn't
know to read, ooh yeah
Oh, prayin, now to something that has never showed
him anything
Feelin, understands the weather of the winters on it's
way
Oh, ceilings, few and far between all the legal halls of
shame, yeah...

Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them away, yeah...
Someday yet, he'll begin his life again
Oh, whispering hands, gently, lead him away...him
away, him away...
Yeah! woo...ah yeah...

Even flow, thoughts arrive like butterflies
Oh, he don't know, so he chases them away...
Ooh, someday yet, he'll begin his life again, yeah
Oh, whispering hands, gently, lead him away...him
away...him away...
Yeah! woo...uh huh...yeah, yeah, mommy, mommy...
