"Fool In The Rain"

Visit "[Fool In The Rain](#)" on MotoLyrics.com

Well there's a light in your eye that keeps shining
Like a star that can't wait for a night
I hate to think I've been blinded baby
Why can't I see you tonight
And the warmth of your smile starts a-burnin'
And the thrill of your touch gives me fright
And I'm shaking so much, really yearning
Why don't you show up, make it all right, yeah, it's
all right, all right

And if you promised you'd love so completely
And you said you would always be true
You swore that you never would leave me, baby
What ever happened to you
And you thought it was only in movies
As you wish all your dreams would come true, hey
It ain't the first time believe me, baby
I'm standin' here feeling blue, blue
Ha, yeah, I'm blue, hoh, baby

Now I will stand in the rain on the corner
I'll watch the people go shopping downtown
Another ten minutes no longer
And then I'm turning around, 'round
The clock on the wall's moving slower
Oh, my heart it sinks to the ground
And the storm that I thought would blow over
Clouds the light of the love that I found, found
Light of the love that I found
Light of the love that I found
Ohhhh, that I found

Hey babe

Oooh, hand that ticks on the clock
Just don't seem to stop
When I'm thinking it over

Oooh, tired of the light
I just don't seem to find
Have you wait, get away

Whoa oooh, I see it in my dreams
But I just don't seem to be with you
You I gotta get it all
Gotta get it all, gotta get it all
I've got to get all

(Guitar Solo)

Ooh, now my body is starting to quiver
And the palms of my hands getting wet, ohh
I've got no reason to doubt you baby
It's all a terrible mess
An' I'll run in the rain till I'm breathless
When I'm breathless I'll run till I drop, hey
The thoughts of a fool's kind of careless
I'm just a fool waiting on the wrong block, ohhhhhh
yeah
Hey now, ohhhhhh-hoh

Light of the love that I found
Light of the love that I found
Light of the love that I
Light of the love that I found
Light of the love, hey now
Light of the love, hey now
Light of the love that I found
Light of the love that I found
