History never repeats  
I tell myself before I go to sleep...  
Don't say the words you might regret  
I lost before, you know I can't forget...  
There was a girl I used to know...  
Well, she dealt my love a savage blow...  
And I was so young, too blind to see...  
But anyway, that's history...  
And I say, history never repeats  
I tell myself before I go to sleep...  
And there's a light shining in the dark  
Leading me on towards a change of heart...  
You say I always play the fool...  
I can't go on if that's the rule...  
Better to jump than hesitate...  
I need a change and I can't wait...  
I say... history never repeats  
I tell myself before I go to sleep...  
And there's a light shining in the dark  
Leading me on towards a change of heart... heart...  
Never repeats... whoa...  
History never repeats  
History never re...  
Deep in the night it's all so clear...  
I lie awake with great ideas...  
Lurking about in no man's land...  
I think at last I understand...  
History never repeats  
I tell myself before I go to sleep...  
And there's a light shining in the dark  
Leading me on towards a change of heart...  
Yeah!
