And if it's bad
Don't let it get you down
You can take it
And if it hurts
Don't let them see you cry
You can make it

Just hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high

Hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high

And if they stare, just let them
Burn their eyes on you moving
'Cause you're movin' on
And if they shout, just let em, don't let 'em change
A thing that you're doing

Hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high

Hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high

I said

And if they mess you round
Don't let 'em change a thing that you're thinkin'
And if they call you names
Just tell 'em this is love rock in the making
Hold your head up
Hold your head up
Hold your head up

Hold your head up
Hold your head up
Hold your head up

I said

Hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high
Hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high
Hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high
Hold your head up woman
Hold your head up woman
Hold your head up woman
Hold your head high
