I used to be on an endless run  
Believed in miracles 'cause I'm one  
I've been blessed with the power to survive  
After all these years, I'm still alive

I'm out here kickin' with the band  
And suddenly I'm a solitary man  
Everyday my time runs out  
Live like a fool, that's what I was about

Oh, I believe in miracles  
Oh, I believe in a better world for me and you  
Oh, oh, oh, I believe in miracles  
Oh, I believe in a better world for me and you

Tattooed your name on my arm  
I always said my girl's a good luck charm  
If she can find a reason to forgive  
Then I can find a reason to live

I used to be on an endless run  
Believed in miracles 'cause I'm one  
I've been blessed with the power to survive  
After all these years, we're still alive

Oh, I believe in miracles  
Oh, I believe in a better world for me and you  
Oh, oh, oh, I believe in miracles  
Oh, I believe in a better world for me and you

I close my eyes  
And think how it might be  
The future's here today  
It's not too late, it's not too late, oh

Oh, I believe in miracles  
And oh, I believe in a better world for me and you  
Oh, oh, oh, I believe in miracles  
Oh, I believe in a better world for me and you
