The facts we hate, we'll never meet
Walkin' down the road, everybody yellin' hurry up,
hurry up
But I'm waiting for you, I must go slow
I must not think bad thoughts
What is this world coming to?
Both sides are right, but both sides murder
I give up -- why can't they?
I must not think bad thoughts...
The civil wars -- and the uncivilized wars
Conflagrations leap out of every poor furnace
The food cooks poorly and everyone goes hungry
>From then on it's dog eat dog, dog eat body, body
eat dog
I can't go down there, I can't understand it
I'm a no-good coward, an American too
A North American, that is, and I must not think bad
thoughts
I'm guilty of murder of innocent men
Innocent woman and innocent children
Thousands of 'em
My planes, my guns, my money, my soldiers
My blood on my hands -- it's all my fault
I must not think bad thoughts...
The facts we hate, you'll never hear us
I hear the radio's finally gonna play "new
music"
You know, the "British Invasion"
But what about the Minutemen, Flesheaters, D.O.A.,
Big Boys and the Black Flag
We're the last American band to get played on the
radio
Please bring the Flag, please bring the Flag
Glitter-disco-synthesizer-night-school
All this noble savage drum drum drum
Astronauts go back in time to hang out with the ape
people
It's about time, it's about space
It's about some people in a strange place
Woody Guthrie sang about B-E-E-T-S not B-E-A-T-S
I must not think bad thoughts...
