Vedder to Crowd:

"I'm going to stand here with you. I'm going to give you a part, I say 'It's OK and you say 'It's O.k.'"

It's ok

Vedder and crowd -It's ok!

It's ok

Crowd: It's ok

It's ok

It's ok

You don't have to run and hide away

It's ok

It's ok

You know I love you anyway

It's ok, it's ok

This is my chance, this is my life,  
This is my hope in an alleyway  
This is my chance, this is my voice  
There may be no more tomorrow  
This my plea  
This is my need

And my time of standing free  
This is my step  
This is my day  
And the world is never the same

It's ok

It's ok

You know I love you anyway

Its ok

It's ok

You don't have to run and hide away

It's ok

It's ok  
It's ok ...  
It's Okaaaaaaaaaaaaaaaaaaaaaaaaay...

Oh It's kayyyyy"
