It's Ok, It's Ok... ( x3 )

you don't Have to run and Hide Away

It's Ok, It's Ok

You know I love you AnyWay  
This is My Chance, This is My Life  
and is my Hope in an AlleyWay  
This is My Chance, This is my Voice

There Maybe no Tomorrow, NO!!  
This is My Plea, This is My Need  
And My Time To Stand It Free  
This is Myself, This is My day  
In a world that's never safe

It's Ok, It's Ok...

You Know I love You AnyWay

It's Ok, It's Ok...

you don't Have to run and Hide Away

It's Ok, It's Ok...  
It's Ok, It's Ok!!!!!!!!!!!!!!!!!!!!!!
