Vedder to Crowd:

"I'm going to stand here with you. I'm going to give you a part, I say 'It's OK and you say 'It's O.k.'"

It's ok...

Vedder and crowd -It's ok!

It's ok

Crowd: It's ok

It's ok

It's ok

You don't have to run and hide away

It's ok

It's ok

You know I love you anyway

It's ok, it's ok

This is my chance, this is my life,
This is my hope in an alleyway
This is my chance, this is my voice
There may be no more tomorrow
This my plea
This is my need
And my time of standing free
This is my step
This is my day
And the world is never the same

It's ok

It's ok

You know I love you anyway

Its ok

It's ok

You don't have to run and hide away

It's ok

It's ok

It's ok ...

It's Okaaaaaaaaaaaaaaaaaaaaaaaaay...

Oh It's kayyyyy"
