(Split Enz) (various dates)

I've got you, and that's all I want
I won't forget 'cause that's a whole lot
When something's wrong I feel uneasy
You show me, tell me you're not teasin'

I don't know why sometimes I get frightened
You can see my eyes and tell that I'm not lying

Look at you, you're a pageant
You're everything, oh yeah, that I've imagined
I don't go out, now that you're here
Sometimes we shout, but that's no problem

I don't know why sometimes I get frightened } (2x)
You can see my eyes and tell that I'm not lying }

There's no doubt, but when I'm with you
When I'm without, I stay in my room
Where do you go? I get no answer
You're always out, it gets on my nerves...

I don't know why sometimes I get frightened } (4x)
You can see my eyes and tell that I'm not lying }
