### "Longing To Belong"

I'm falling harder than I've ever fell before  
I'm fallin faster, hoping I'll land in your arms  
Cause all my time is spent here  
Longing to belong to you  
I dream of circles perfect, eyes within your face  
My heart's an open wound that only you replace  
And though the moon is rising, can't put your picture  
down  
Love, it's a frightening way to fall  
And when the time is right, I hope that you'll respond  
Like when the wind gets tired and the ocean becomes  
calm  
I may be dreaming but I'm longing to belong to you
