And out isn't perfect
My friends I'll say it too
Stay my case of which I'm certain
I've lived a life as full
I've traveled each and every highway
Oh and more as more gets
I did it my way
Regrets I've had a few
But they're too few to mention
I did what I had
It's all through without exemption
I play each charted course
I've traveled each and every byway
And more much more than this
I did it my way
Well twice I'm sure you knew
When I bit off more than I could chew
I knew it all without a doubt
I ate it up and I had to spit it out
I passed it on and I stood tall
And I did it my way
