Yes, I understand that every life must end, uh-huhAs
we
sit alone, I know someday we must go, uh-huhOh I'm a
lucky man, to count on both hands the ones I loveSome
folks just have one, yeah, others, they've got none

Stay with me...Let's just breathe...

Practiced all my sins, never gonna let me win, uh-
huhUnder everything, just another human being, uh-
huhI
don't wanna hurt, there's so much in this world to make
me bleed

Stay with meYou're all I see...

Did I say that I need you?Did I say that I want you?Oh,
if I didn't I'm a fool you seeNo one knows this more
than
me

As I come clean...I wonder everyday, as I look upon
your
face, uh-huhEverything you gaveAnd nothing you
would
save, oh no

Nothing you would takeEverything you gave...

Did I say that I need you?Oh, did I say that I want you?
Oh, if I didn't I'm a fool you seeNo one knows this more
than meAnd I come clean, ah...

Nothing you would takeEverything you gaveHold me til
I
dieMeet you on the other side...
