what the fuck is this world running to?
you didn't leave a message
at least i could have
heard your voice one last time.
daily minefield
this could be my time
how 'bout you?
would you hit me?
would you hit me?
all the bills go by
and initiatives are taken up
by the middle
there ain't gonna be any middle any more
and the cross i'm bearing home
ain't indicative of my place
left the porch
left the porch
hear my name
take a good look
this could be the day
hold my hand

walk beside me
i just need to say...
hear my name
take a good look
this could be the day
hold my hand
lie beside me
i just need to say
I could not take
Just one day (when)
i know that i would not ever
touch you
hold you
feel you
ever
oh
never again
