I've seen puzzles made out of wood, I've seen games  
With pieces and rules  
I've deciphered a trick or two at the bar, but there's a  
lot I haven't figured out  
This far

I've come up with riddles and jokes about war  
I've figured out numbers and what balance sheets are  
for  
I've understood feelings and I've understood words but  
the mystery remains  
I miss you

You are never more beautiful than at the end of a day  
When the world's away  
Oh, this way  
We can all run away  
We can't all disappear  
At the end of the day  
You come back here...  
Here...

It's been a long, long day  
And it's hard to say I'm just a drunk  
Ohhh, just a drunk  
If you can imagine words  
All that remains  
Ohhh, still I'm just drunk  
A puddle in the parking lot

You are never more beautiful than at the end of a day  
And the world's away  
Oh, we can all run away  
But we can't all disappear  
At the end of the day  
You come back here

You are never more beautiful than at the end of a day  
From far away  
We can all run away  
But we can't all disappear

At the end of the day  
You come back here

Back here...  
Come back here...
