lets do this thing it's doing right now hey
merry Christmas we thought we'd give you a little
insight into our band psysgolgy
which one of us is really fucked up that's the question
we pose to you
is it eric johnson or it'll be the guy on the next album
not wearing shoes
eric is dead
we just looked at the artwork for the christman single
and it's preatty damm good
it's been a really fun year and
we're a little more relaxed at this little
we're much more relaxed right now
thank you guys very much for supporting us so much
say something nice to the people edward
hi he's doing the shy retuine right now
i'm not shy i'm just pissed
he's pissed and shy
merry pissmass
all right bye see ya
